

## Stone Harbor Golf Club

### Agronomy Update Summer 2024

August 2024

# Renovation Update

The back 9 is due to be renovated starting mid-October. Like the front 9, we will be undergoing an extensive renovation including the following:

- New tee boxes
- Fairway expansions
- Re-grassing green and tee surrounds
- All new bunkers including the Better Billy Bunker method
- Creation of new waste areas
- Planting trees along several holes for screening purposes
- The completion of our new irrigation system
- Lake bank restoration on holes 15 and 16
- Cart Path and Belgian Block install

# Tees and Fairways

- Tee renovation on holes 11,13,14,15,16,17
- Tees will be stripped of existing grass and rebuilt to give more teeing space and easier access from the cart path.
- Fairways on holes 11,13,14,15 and 16 will be expanded and manufactured wavy edges will be eliminated.

#1 Tee- July 2022

#1 Tee- July 2024

# Bunkers and Waste Areas

- Renovated bunkers on holes 10-18
- Bunkers renovated in the last 5 years will also have bunker liner replaced and converted to Better Billy Bunker.
- All new bunkers will have new sand, Better Billy liner and drainage.
- Waste areas will be created on holes 15,16 and 17
- All green surrounds that have not been renovated will be sodded to tall fescue

#4 waste area- 2022

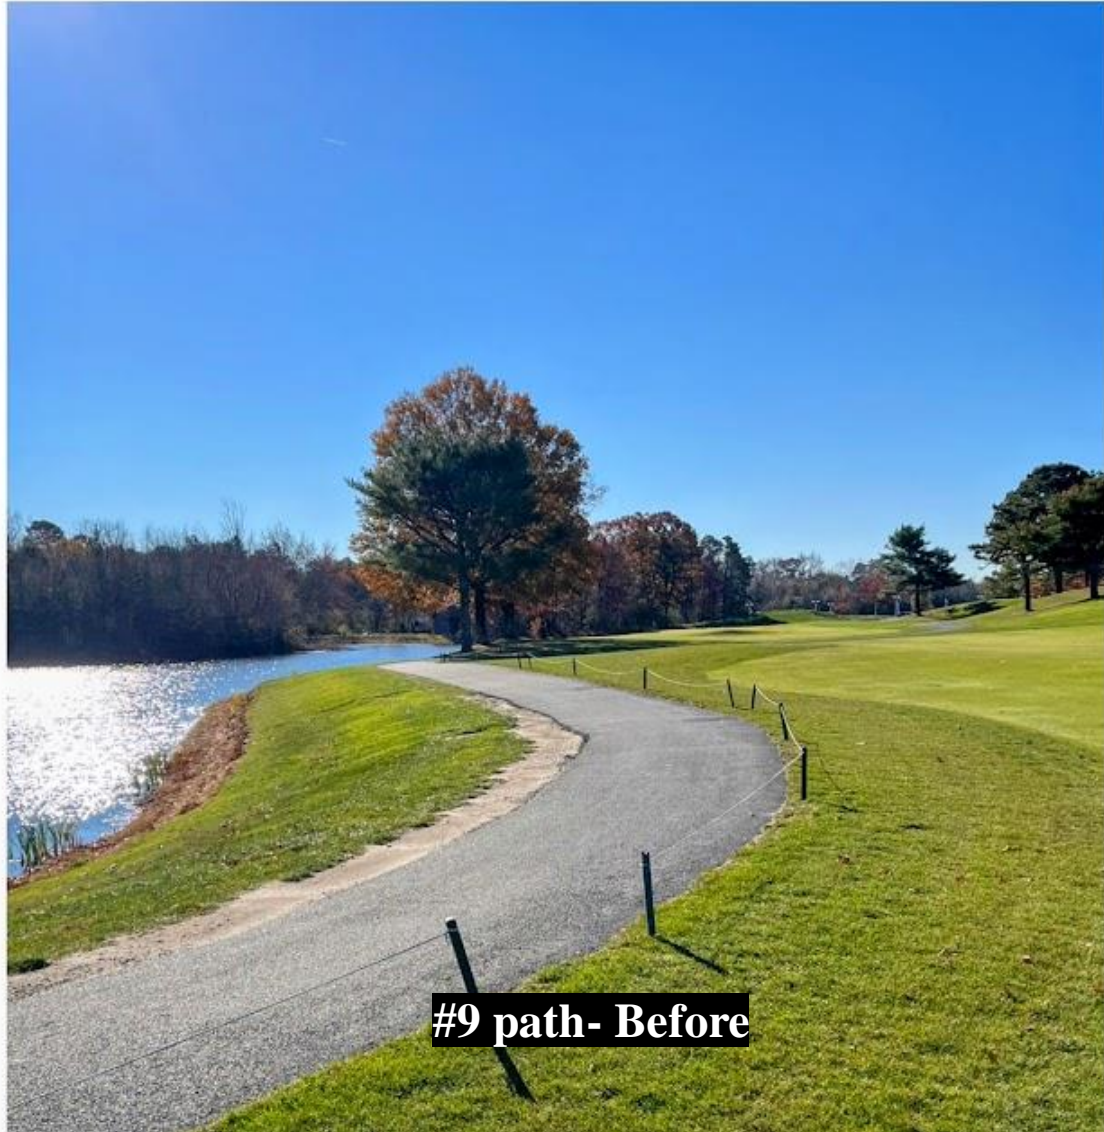

#4 waste area- 2024

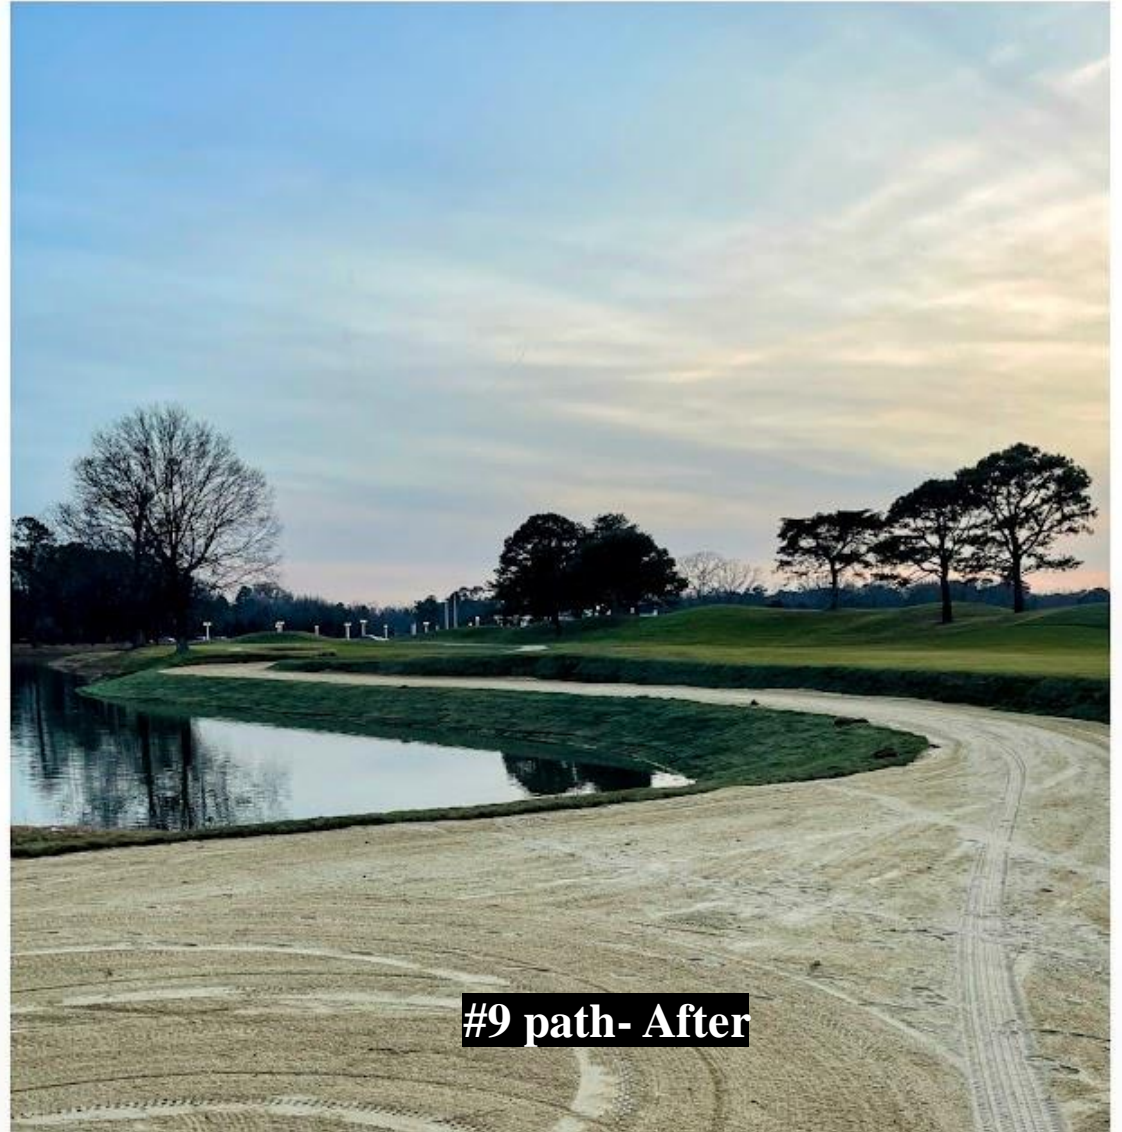

# Cart Paths and Belgian Block

- New cart paths will be completed on holes 11-16 including Belgian block along tee and green complexes.
- Waste bunker on #16 will be used as a path similar to #9 on the front
- We will also be installing shells around back 9 bathrooms as we completed last fall on the front 9

**#9 path- Before**

**#9 path- After**

# Irrigation

- New irrigation installation on holes 11-17
- After this phase we will have irrigation on 18 holes and the driving range completed.
- We will be running off one central control system which will enable us to run the system much more efficiently.

- We are looking forward to completing the final holes to our renovation master plan this coming fall season. During these renovations, the front 9 holes will remain open to play. We greatly appreciate our members' support and we are excited to provide everyone with a completed 18-hole renovated golf course this Spring 2025.

Thank you,  
Stone Harbor Agronomy Team
